Invites You To Attend

CONNECTING COMMUNITIES

A COMMUNITY DIALOGUE ON THE FIGHT TO PROTECT CIVIL RIGHTS
IN MARYLAND'S 4TH DISTRICT AND AROUND MARYLAND

Recent violence in **FERGUSON** and **NORTH CAROLINA**,
historic events illustrated in "**SELMA**", and **ISIS** kidnappings and murders
have sparked ongoing discussions about
racial and ethnic tensions, and religious and cultural differences.

Are certain members of our community profiled? Targeted?
Automatically suspected because of their faith, ethnicity, or race?
How do communities value freedom of religion and basic civil liberties?

Join me in a dialogue with faith leaders,
civil and human rights organizers, and peace and justice advocates.
